**Parking** Yes it's everyone's favorite subject. Other than 10-15 minutes to unload your car, there is no parking allowed by your cottage. No one wants to look out their window at someone's car. Please be courteous to your neighbors. Initial violations will receive a warning letter. Second violations a \$25 fine. Third and subsequent violations a \$50 fine. If you have a handicapped permit from the state, please provide a written request and copy of permit to the camp committee.

**Cottage Rentals** If you are renting your cottage please remember the following simple things. First, any renter must be a 90 day member of one of the Illinois District Turner Societies. Second, you must notify the camp committee in writing of your intention to rent. If you don't notify the camp committee, pool and youth program privileges cannot be extended to your renters.

**Raths** We've got some new additions to the line up this year. We're expanding our craft beers to include Redd's Apple Ale and Leinenkugel's Summer Shandy. For a limited period we also have some Goose Island 312 and Urban Ale. Please note, time marches on and our product costs rise. So you'll notice a \$0.25 rise in some product costs this season. We're still the best deal in town, night in and night out!

**Cottage Ground Leases** - Full ground lease payment including all fees, fines, penalties and interest was due by June 9. If you are not paid in full, you cottage will be padlocked and you will not be able to enjoy your cottage owner privileges. Any questions email Treasurer Shawn Stevenson at [Shawn.Stevenson10@gmail.com](mailto:Shawn.Stevenson10@gmail.com).

**Ladies** Our Card Party is will be on Saturday, July 19th. Ann Trankle

**T-Bay** The second annual T-BAY pizza party and silent auction will be held Wednesday June 25th from 6 to 8:30. The cost for pizza is \$5 a person or \$20 a family. We will be raffling off some great prizes at the silent auction so be sure to stop on by. All proceeds from the fundraiser will go towards improving the pool. We are still looking for items to raffle off at the auction so if you have any items or talents you'd be willing to donate we would greatly appreciate it. If you have any questions feel free to contact me Via email [erin.lau@cuw.edu](mailto:erin.lau@cuw.edu) or cell (847) 525-7051.

**New Cottage Owners** All new cottage owners are required to attend a new owners orientation meeting before their purchase is finalized by the District. These are held before each Cottage Owners Meeting during the summer at the Rath's. The next meeting is June 22 at 10a. All new owners are also on probation for at least one year or until they attain three years of membership.

**Convention** We will be hosting the National Convention of the American Turners on August 15-17. We need three or four office assistants to help with registration, the minutes, committee reports, copying and collating. These individuals must be available Friday, Saturday and Sunday until each part of the job is completed. Ideally, we'd like good typing and computer skills, familiarity with office copiers and equipment, and ability to work under

**Adopt Your Local Washroom** - Camp provides a **daily** clean-up and supply refresh. Please note that this is **daily**. Between camp cleanings, it is the neighborhood cottage owners who are responsible for keeping the washrooms clean and usable! Treat it like your washroom at home. Don't leave paper on the floor, or the sink a mess. If you don't like cob-webs, plan a neighborhood clean-up day soon. If you'd like to get a crew to paint your bathroom, see the facility manager Jack Bucaro and camp will provide the supplies. **Make it as nice as you want to make it!!!**

**Clean Up** We are working very hard to have the public buildings and grounds ready for the start of season but we must look to the cottage owners to take care of their cottage and the grounds surrounding it. Please clean up, fix up and paint up. Grass must be cut. If a cottage owner doesn't cut their grass, Camp will do it and charge the owner. The fee escalates if we have to mow additional times. Please do NOT burn leaves around your cottage. Place all landscape waste in the concrete bunkers and Camp will store it until the next burning season or conduct controlled burns as necessary. Camp is permitted to burn in emergency situations.

**Committee Corner** - each week we will highlight one of the committees that share responsibility for running camp. The Bar Committee has responsibility for the Rathskeller bar operations, specifically:

- Hire, train, and oversee bar tenders
- Manage product inventory
- Keep the bar well supplied
- Oversee nightly operations
- Schedule and book entertainment
- Coordinate activities with restaurant, youth and general camp schedule

**BRICKS! BRICKS! BRICKS!** The first order of approximately 350 Engraved Bricks has been placed and will be arriving later this month. But it's not too late to get in on the Brick Campaign. I will be placing another order later this month. (It's hopeful, but not guaranteed that these bricks will arrive in time for Founder's Day) So pick up an order form down in the Raths, Or go online to [www.illinoisturners.org](http://www.illinoisturners.org) and download a form. Completed forms should be given to or sent to Pam Lau, 740 Harper Ave., Cary, IL 60013. Orders may also be sent via email (with a check to follow) to [plauquilts@sbcglobal.net](mailto:plauquilts@sbcglobal.net). Bricks make great gifts as well.

**Weekly Bulletin** The weekly bulletin is published each week by Scott Lau. If you'd like to publish an item, please give Scott your item or preferably email it to him at [its119rules@hotmail.com](mailto:its119rules@hotmail.com) by Wednesday of the weekend you'd like it published

## **Cultural Committee News**

•Photography contest August 3<sup>rd</sup>. Entry forms are available on the Illinois District website or will be available June 21<sup>st</sup> at the Rath's.

•Looking for Turner camp memorabilia to display during the weekend of Founder's day. Looking for pictures, slides, articles, bocce ball tournament plaques, or anything that involved Turner camp in the last 100 years. This will be displayed at the Ladies Clubhouse during the 100<sup>th</sup> anniversary. Please give these to Ann Trankle, Suzanne Potthast or Sue Knisley.

•T-shirt should be arriving for the 100<sup>th</sup> anniversary around the weekend of the 13<sup>th</sup>. We ordered some sizes and styles and are planning to order more as needed. We will have someone available at the Rath's to help with the orders. The design on the front of the shirt was by Jeff Tuecke and the sleeve design was from Ann Trankle. Please stop by and see us. Sue Knisley

**FOUNDER'S DAY HOTELS** If you know of anyone planning to make a trip in town for the Centennial Celebration over Founder's Day Weekend (August 1-4th), please let them know that we have a block of rooms set aside at the Holiday Inn in Crystal Lake (\$124/nt.) and The Country Inn and Suites in Crystal Lake (\$95/nt.). Tell them to mention Illinois Turner Camp when booking to reserve our special rate. To receive the special rate, they must book by June 30th.

**Founders Day Contests** As a part of this year's Founder's Day celebration we will be having a float and cottage decoration contest. There will be three categories: originality, most humorous, and most German inspired. Please let us know your group or cottage number and which category you will be entering your float or cottage in. All entries will be judged and awards will be presented at the Founder's Day celebration. [mspcmoga@sbcglobal.net](mailto:mspcmoga@sbcglobal.net)

**Adult Recreation** With the Youth program starting this coming Monday. It is also time for the return of the Grown Up Athletic Program! This year we will have athletic activities for all adults on Mondays, Tuesdays, and Wednesdays from 6:30/7:00 until 8:30 while the kids are at their evening activities. We will still have Volleyball on Mondays and Basketball on Wednesdays but this year due to popular demand we will have pickle ball on Tuesdays. In addition, Tennis Sunday and Monday at 9a, and Thursday's at 6p. Paddling Monday at 6p (canoes and kayaks available). Cycling Saturday at 8a in the big parking lot, must have your own bike. Finally, yoga at the shelter on Friday's at 5p (\$10 per person, certified yoga instructor). These are great opportunities for everyone to get out after work and get some exercise. You do not have to be the best player in the world to come out and have a good time. We had a tremendous response last year and I am hoping we will see many more people participating this year. If you have any questions please let me know. Nick Barts and Susie Moga ([mspcmoga@sbcglobal.net](mailto:mspcmoga@sbcglobal.net))

**Recycling** For your convenience, a recycling dumpster has been placed in the big parking lot. It is located to the right of the regular garbage dumpster. The recycling dumpster is a single stream dumpster, that means it will accept all recyclable materials, including paper, plastic, aluminum and steel and glass bottles, ( **PLEASE NO WINDOW PANE GLASS** )

**PLEASE NO WET NEWSPAPERS, FOAM, PIZZA BOXES, YARD WASTE, or WINDOW PANE GLASS**

We would appreciate if you separate your aluminum cans (beer cans and soda cans) and place them in the blue 55 gallon barrels labeled **CANS ONLY** they are next to the recycling dumpster. For everyone's convenience these blue barrels marked **CANS ONLY** are also placed next to each of the regular garbage dumpster that are located throughout camp. The content in these blue barrels will be collected and brought in by the youth committee; the money from these recyclables will be used to enhance the youth program. The recycling program has been a long time coming. The more everyone participates the more successful it is.

**Remember it is our camp. Treasure it don't trash it!**
