Tweenie Pancake Breakfast Friday, July 4 from 8-11 am in the Dining Hall. Please come out and support your Turner Tweenies. You won't be disappointed!! We will be calling raffles following the breakfast. Anyone who would like to donate something NEW to the Tweenies for their breakfast raffle, it would be greatly appreciated. We also need every Tweenie parent to donate a prize. You can drop off raffle prizes to Barb Litza #218, Shawn Dahm #102, or at the candy store. Thank you so much and thank you to those who have already contributed. Barb Litza

T-Bay Pool Fundraiser The second annual T-BAY pizza party and silent auction was a huge success!! Over \$2,400 was raised for the pool! Thank you to the donors, buyers, pizza eaters, and Youth STAFF who contributed to this success.

Important News to Share Our facility manager is no longer employed at Illinois Turner Camp. We acknowledge the many years of service provided to Illinois Turner Camp by the outgoing facility manager and recognize his effort to maintain camp in its current condition. We wish him much success in the future. Pat Kennelly has been appointed as facility manager in the interim. For any outstanding issues he can be reached at (224) 800-3636.

Parking Yes it's everyone's favorite subject. Other than 10-15 minutes to unload your car, there is no parking allowed by your cottage. No one wants to look out their window at someone's car. Please be courteous to your neighbors. Initial violations will receive a warning letter. Second violations a \$25 fine. Third and subsequent violations a \$50 fine. If you have a handicapped permit from the state, please provide a written request and copy of permit to the camp committee. Some citations have already been handed out! Park in the lot and avoid the fines!

Looking for a Part Time Job? Please contact Howard Boress if you are interested in applying for a job cutting the grass and weeding at camp.

Committee Corner Each week we will highlight one of the committees that share responsibility for running camp. The Youth Committee has responsibility for the Youth Program, specifically:

Youth Thank you to everyone who donated and/or attended our first pool fundraiser! It was a huge success! Don't miss the 2014 Rock Concert after awards tonight! Congratulations to last week's Campers of the Week: Macy Ganatos and Kadin Borck; and Swimmers of the Week: Aurora Peterson, Macy Ganatos, Amy Sawicki, Kamrin Borck, Danny Sullivan, and Mackenzie Boress. Great job!!

Join us at Raging Waves on Tuesday, July 1. Please make sure your permission slips are turned in and let Erin know if you are interested in driving. The theme for Wednesday's campfire is Red, White, and Blue. **There is NO program on July 4th; however, the pool will be open from 11-7 and there will be awards at the Rath's at 7 with a Pie Eating Contest to follow.**

Save the date!! The 2014 Water Show is Saturday, July 12th! There will be a costume meeting this Wednesday at 3 at the pool.

On occasions when the weather is severe, the STAFF will take the campers to the Rath's. As a reminder, the STAFF will only release campers to their parent, guardian, or designated camp adult. The Youth Committee asks that the adult in charge that day please pick up your camper from the Rath's at the end of program that day. Please also make sure that both your camper and your designated camp adult knows when they are responsible for your camper. Ashley Stevenson

Adopt Your Local Washroom The neighborhood cottage owners are responsible for keeping the washrooms clean and usable! Treat it like your washroom at home. Don't leave paper on the floor, or the sink a mess. If you don't like cob-webs, plan a neighborhood clean-up day soon. **Make it as nice as you want to make it!!!**

Clean Up We are working very hard to have the public buildings and grounds ready for the start of season but we must look to the cottage owners to take care of their cottage and the grounds surrounding it. Please clean up, fix up and paint up. Grass must be cut. If a cottage owner doesn't cut their grass, Camp will do it and charge the owner. The fee escalates if we have to mow additional times. Please do NOT burn leaves around your cottage. Place all landscape waste in the concrete bunkers and Camp will store it until the next burning season or conduct controlled burns as necessary. Camp is permitted to burn in emergency situations.

Adult Recreation It is time for the return of the Grown Up Athletic Program! This year we will have athletic activities for all adults on Mondays, Tuesdays, and Wednesdays from 6:30/7:00 until 8:30 while the kids are at their evening activities. We will still have Volleyball on Mondays and Basketball on Wednesdays but this year due to popular demand we will have pickle ball on Tuesdays. In addition, Tennis Sunday and Monday at 9a, and Thursday's at 6p. Paddling Monday at 6p (canoes and kayaks available). Cycling Saturday at 8a in the big parking lot, must have your own bike. Finally, yoga at the shelter on Friday's June 27, July 11, 18, & 25, August 1, 8, & 15 at 5p (\$10 per person, certified yoga instructor). These are great opportunities for everyone to get out after work and get some exercise. You do not have to be the best player in the world to come out and have a good time. We had a tremendous response last year and I am hoping we will see many more people participating this year. If you have any questions please let me know.
