Flags Over Turner Camp Take a moment to notice the flag overlooking the A Field this summer. The flag has been donated by Joan and Roy Fenton. It was given to Joan's uncle, who served in the Navy from 1916 to 1956. Entering the Navy as a teenager, he served during both world wars. This flag contains 48 stars, and may have been given to Joan's uncle upon his retirement.

Pool Update Things are running fairly smoothly so far at the pool this year but as always, we have had a couple of issues. Thank you to Dave Cross and Dave Williams for fixing the broken pipe entering the pit in the pool room and for fixing the filter holders that broke and were causing the pool to be slightly cloudy last week. Also, the baby pool has a leak and we are in the process of trying to scope the water line to the baby pool to determine where the problem is happening and how to correct the issue. We are planning on putting an inflatable baby pool up in the meantime and are sorry for the inconvenience.

Have you noticed some new items around the pool? Thank you to the following people for your generous donations:

- The Tuecke Family for donating one of the new picnic tables in the concession area in memory of both Richard Schnell and Ron Borck
- The Scott Garelli Family for donating 4 new umbrellas and umbrella stands for the concession area
- To all Turners that donated to the TBAY Pool Fundraiser - so far the donations have been used by the counselors to purchase a second new picnic table for the concession area, a much needed new sound system and a new desk for the pool office. The TBAY Pool Fundraiser this year is coming up on Wednesday, June 24th from 6-8 in the Raths, please mark your calendars.

Finally, thank you to all who helped get the pool up and running on the work weekends in May!
Scott Garelli

Garbage & THINGS ICKY Please keep the following things in mind when it comes to refuse disposal.

- The recycling bin in the big parking lot is for paper, cardboard, cans, and bottles only. If you place kitchen garbage in the bin, nothing will be recycled!
- DO NOT leave any garbage on the ground. It will not get picked up by the garbage company and will remain there. If you have an item too big for a dumpster, contact the facility manager Dave Cross at 224-800-3636 to arrange removal.
- Ladies, please DO NOT flush tampons down the toilet. There are small garbage cans in each stall for that purpose. Otherwise we get back up sewer lines like we had at the pool this past Saturday night. Thanks to Dave Cross and Howard Boress for leaving returning to camp from a party during the Black Hawk game to rod out the pool septic system so the pool was available to swim in come Sunday.
