Camp Volunteer Opportunities - thanks to those that have stepped forward, but we still have one opening

Candy Store - the Candy Store is one of those wonderful camp traditions that has endured for decades. However it is in need of a new coordinator(s) for next season, or it will not open!!! Please consider stepping up and making your mark in camp by taking over the Candy Store coordination. Maybe you and a friend or two can split the work? Please see Shawn Dahm or Barb Litza if interested for more information

Youth - thanks to Kate Ganatos for volunteering to be next year's Youth Chairman. Kate grew up in Northwest Turners, and was at camp/program every year. She went on to become an ITC counselor & lifeguard and is now a teacher. Kate's background and work experience make her an excellent fit to lead the Youth Committee. She will bring fresh ideas to the program as well as the appreciation for camp and it's wonderful traditions. Please welcome Kate!!!

Facility Manager – as many of you know Dave Cross is the Camp Facility Manager and has been doing a great job making upgrades and improvements all around camp. He is a busy person so please be courteous and understanding of his time. He often is working on something that may take hours or even multiple days and has to plan his time wisely. If you observe something broken or not working, please report it to Dave. But please don't expect him to drop whatever he's working on and run right over. Dave has to manage his time to get work done and may not be coming to that side of camp until later. If Dave asks you to follow a rule or explains how you can be in compliance please follow his suggestions. He is an extension of the Council and Camp Committee.

YOUTH: What a great Water Show! Thank you to everyone who attended the show and who volunteered to help set up and take down the backdrop! Thank you to Kim Beschorner and Tamara Byrne for the temporary shades above the baby pool they donated. Don't miss the Pie Eating Contest after awards tonight!

Congratulations to last week's Campers of the Week: Addison DeRusha and Keith Koehler; and last week's Swimmers of the Week: Declan DeRusha, Lia Ganatos, Sophie Shannon, Cassidy Webb, Katie Valentine, and Nick Garelli. Great job!! Thank you to our parents and guardians who volunteered to drive on our field trip last week. Everyone had a great time! Our TBAY fundraiser was another huge success. Thank you to everyone who donated and participated.

Next week is Olympic Week! Campers will be put in teams and compete in a variety of sports and games. The campfire theme is Team Spirit! Mark your calendars for the 9 and under sleepout on Wednesday, July 27. Campers who intend on sleeping out should be at the "Dr. Seuss" campfire beforehand at the pool. On Thursday, July 28, the 10 and overs will be going on a field trip to Battle House Laser Tag and the 9 and unders can choose to sleep in.

If your camper is interested in participating in our weekly cooking class, please make sure they turn in their cooking forms each week to Kelli or Jodi by Monday's swim lessons. This is important so they can plan food accordingly for the campers

The ITC Youth Program is selling a limited number of beach towels again! This is a fundraiser to benefit the Youth Program. You can purchase your towel at the Candy Store. Towels are \$20 each and checks can be made payable to Illinois Turner Camp. The Candy Store also has 100 year t-shirts and mugs available for purchase.

The lifeguards would appreciate your help during the week with collecting admission. If you bring a guest up to the pool during the week, please pay one of the lifeguards who are not sitting in the chair. Thank you!
