Welcome Back! The Camp Committee has a great season planned for you. Here is a summary of a few major projects that have been completed since last season.

A Field Bathrooms have been remodeled and spruced up.

A well was dug and installed for the A Field Bathroom and the water spigots in that area of camp. One more well is planned for the big parking lot after this season which will supply the Cicero Bathroom and water spigots in that area of camp.

The new playground equipment was purchased and installed and is already a hit with the Turner kids! Big thanks to Amy Oatey for seeing a need and raising funds toward a solution with the Turner Trot. We are also very blessed to have received significant donations from National Endowment & Trust Fund, the ATNY Fund of New York Turners, Bocci Ball, and Tuna. Look for the dedication coming on Founders Day!

The new Froggy sprinkler is being installed in the baby pool to help keep future Turner Kids cool in the summer.

Restaurant – the Fish Frys have begun! We have a number of menu changes we think you'll like. For the Fish Fry we've added baked Salmon to the every Friday menu. For Friday and Saturday grill we've added a new healthy choice Turkey Burger, plain or with cheese. We've also added a few new appetizers, Cheese Curds, Cheddar Bacon Jalapeno Poppers, and Honey Sriracha Cheese Sticks. This Friday don't miss Lydia Hodor's special, Polish Kielbasa, Pierogies, and Kapusta. Next week's special is Shrimp DeJonghe. Donna Litza is making Sunday dinner great again! This Sunday, June 10, Donna, Cheryl and their crew are serving BLTs or TLTs and the usual grill items from 530p-7p.

The Prime Rib dinner is June 23rd. We will be taking pre-sale orders at the Fish Fry June 15 & 22 for \$15/dinner. At the door will be \$18 and we will not be able to guarantee a dinner.

Shout Outs – Turner Camp continues to operate and get better due to the hard work and efforts of many volunteers. Here are just a few examples:

Dave Williams & Dave Zweifel for coordinating and putting in many personal hours in getting the pool complex cleaned and ready to open. Anyone who has ever pitched in on pool clean up day knows what a dirty, icky job it is to clean the pool. These two guys helped prep and coordinate the crew and have been spending hours painting and doing the little things that add up to big time to get the pool ready to fill.

Howard Boress & the Buildings & Grounds crew for all the site prep work, installation expertise, and manual labor in getting the new playground equipment installed. While at the same time continuing the ongoing battle cleaning up trees!

Mary Becker for coordinating the cleaning and prep of the Rathskeller & Dining Hall complex. We had a lot of volunteers for work days but Mary provided the direction and organization to bring it all together. She is also does a lot of behind the scenes dirty work to help keep us health department compliant each week.

I know we're missing many shout outs but we'll get you in the weeks to come
