Volunteer Duties – just a reminder that fulfilling your duties is important to the functioning of camp and our offerings. Your three duties are a key obligation of being a cottage owner. If something comes up it is your responsibility to switch with someone or find a suitable replacement. When duties are missed committee chairs often have to step in to keep things going. Those folks are already giving generously of their time and really don't want to do another duty. A missed duty will result in a \$250 fine. Remember to dress suitably for your duties. Closed toed shoes and t-shirts are recommended for kitchen duties.

Cottages for bid – the Illinois District has two cottages up for bid. To be eligible to own a cottage you must have been a member of a Turner society for at least one year by the time the bids are opened on July 23rd at the next District Council meeting.

Include how many years you have been a member and to which Society you belong. Bids will be opened and read at the July 23rd District Council meeting. Should you have a winning bid you may take possession immediately and you will have all the rights and privileges (pool tags, youth program, coupon book, etc.) for the remainder of the 2018 season.

Cottage 26 – one room cottage in Mosquito Hollow.

Cottage 52 – one room cottage in Aurora Lane

Cottage Reclamation Opportunity – the District is also in possession of cottage 237, which is in severe disrepair. It is located just past the Sugar Bowl below the service road where the road bends. There is a picture of this cottage next to the definition of “Fixer Upper” in the dictionary. Since this cottage will require a significant upgrade investment The District is not asking for any bid. It is a larger footprint cottage and we are looking for someone who is handy and willing to bring it back to life. If you are interested please see Howard Boress & Kurt Potthast of Buildings & Grounds. The county building codes are very strict with what can and can't be done and they'll help you review the possibilities. Once you come up with a plan approved by Buildings & Grounds the Council will review and approve. As a side note, this is why the Camp Committee periodically does walk-throughs of camp and details repairs/work for cottages if they need it. This one got away from us and we're trying to make sure cottages don't get to the point of having to be torn down.

Volunteer Opportunity – thank you to Kate Ganatos for being one of our Youth Committee co-chairs last year and this year! Kate is stepping down at the end of this season so there is an opening to co-chair with Chris Mostyn next year. If you are interested please see Chris for more details and let me (Scott Lau) know if you interested.

Unique Duty Opportunity – we are looking for someone who could take ownership of checking the pool supplies twice each weekend, bring up needed supplies from the Rathskeller, and note what supplies are needed for next weekend. This would take about 30-45 minutes per weekend and would be in lieu of be assigned three specific duties. If there was a weekend or two you would be out of town that could be covered by someone else. If interested please see Scott Lau for more details.

Recycling - As a reminder, recycling is an ongoing program here in Camp. It always has been and continues to be a mandatory program. For everyone’s convenience, there are two large recycling containers placed conveniently on the property, one next to the garbage bins in the large parking lot, the other behind the a Rathskeller.

Spread throughout Camp are numerous blue 55 gallon drums marked for cans only. We have placed them so they would be readily accessible to all campers. Please use them for their purpose. We have also placed blue recycle cans in and around the Raths. Two are inside and one outside the main door. These cans have the recycle logo on them and are meant for bottles and cans. Please use them as such. Any questions or recommendations regarding this program, please speak to anyone on the buildings and grounds crew. Thanks for your continued cooperation.
