This week has been amazing! We had our 10 and over sleep out on Wednesday, and we want to give a huge shoutout to Danny Sullivan for organizing the walk that night! The campers of the week last week were Gunnar Garelli and Kylie Gatz. Thank you to all the volunteers who drove on the field trip as well. Also, there will be a final show costume meeting up at the pool at 3 PM on Friday! I can't believe it's already week 9!!! As the summer begins to come to an end, the campers are still working hard! Congratulations to everyone who passed into a new swim group this week; Emerson Alexander from Beginners to Advanced Beginners, Sam Moore and Raina Kane from Advanced Beginners to Intermediates, and Jacki VanDahm from Intermediates to Swimmers.

This week's Swimmers of the Week were Esther Jacobs for Tiny Tots, Jack Altheimer for Beginners, Laney Flowers for Advanced Beginners, Macy Ganatos for Intermediates, Ally Gatz for Swimmers, and Addison DeRusha for Advanced Swimmers. Don't forget that the 2019 Swim Meet is Sunday, August 4th beginning at 9:00am! There is still time to sign up, please contact Madison Dahm if you are interested!

TINY TOT GARDEN - The garden has made amazing progress this summer! We had our first batch of radishes which were soooo spicy - the Tiny Tots did NOT care for them. They also were able to try a green pepper and tomato which they LOVED! We harvested a lot of tomatoes this week and they have been donated to the Rath's and will be sliced for burgers and used for salad. Make sure to try some fresh tomatoes this weekend. We have some broccoli starting, along with eggplant and squash. Thank you to everyone for your continued support.

From the History of Eiche Turners: “During the First World War, 93 percent of the Turners were found fit for active duty, compared to the general population average of 67 percent.”

The Illinois District Council adopted a formal policy regarding the assignment of work duties to cottage owners at its June 22, 2019 meeting. In summary, the Council believes that cottage-owner participation in the operations of ITC is an essential aspect of Camp culture. Further, the Council adopted a policy that re-establishes the practice of all cottage owners being assigned three work duties per summer. The Council also adopted the recommendation to reserve the “Pool Admissions” and “Coupon Book” duties for cottage owners 65 years and above who request it. In addition, ITC will develop a “willing-to-sub” list – to be distributed in the Spring mailing (and posted on the ITC website) - allowing a cottage owner the opportunity to contact a fellow Turner to make an alternate arrangements if they are unable to fulfill their assigned duty. Copies of the complete policy are available in the Rathskeller.
