Work Schedule

Illinois Turner Camp

If you are unable to work on the day or times assigned, it is YOUR responsibility to get a substitute! All Cottage Owners must do their share for Camp to operate successfully. \$250 penalty for not working an assigned duty applies to EACH assignment in this book. To ensure you are given credit for working, please sign in at the Raths or Pool

2023 WORK SCHEDULE

All cottages are assigned three duties. As a reminder, there is no longer the opportunity to buy out of duties. If unable to work your duty, it is your responsibility to find a replacement in advance. If you do not perform a duty you will be charged a \$250 fine for each missed duty. It is important that you are on time for your assigned duty. There will be a 15 minute late window; however, there is a \$100 penalty for showing up more than 15 minutes late. Please be sure to sign in at the Raths and Pool when you report for your duties. Certain weekly regular duties and committee work receive work schedule credit. Please see Ashley Livingston if you have any questions. Expectations of each duty are included and will be posted in the appropriate locations this summer.

GUIDELINES FOR WORK DUTIES:

1. Fees and prices are carefully reviewed by the Camp Committee each year. This income helps offset our operating expenses and keeps ground lease fees as low as possible. Undercharging or giving free goods or services affects all of us. Please charge the correct prices. If you have questions, please check with another worker or supervisor. The Camp fee structure is at the bottom of this page.
2. Please dress appropriately. Bar and restaurant workers must wear sleeved shirts, closed toe shoes, and have their hair pulled back if longer than shoulder length. Pool workers should bring shoes and shirts for their duty hours.
3. Please make arrangements for your children. Children are not permitted behind the bar, anywhere in the kitchen area, or in the pool concession area.
4. Please be in good mental and physical condition during your duty shift. If you are incapable of performing your assigned duty for any reason, you will be asked to leave and charged a no show fine. We are relying on you to provide good service and enforce our policies.
