Illinois District American Turners

Po Box 211

Fox River Grove, Illinois 60021

Hello Turner Campers,

The 2025 season is upon us. Cory and Donna Litza have finalized the calendar and events. Nicole Sandine and the Youth committee have finished all the interviews and have extended offers to our staff. Ashley has the work schedule ready to go.

Tom Turner and the Buildings and grounds crew have been busy clearing overgrowth along the creek sides by the Rathskeller in the off season.

When you first come to camp you will notice a fresh look at the front entrance. All the buckthorn and weed trees, concrete and scrap steel has been cleaned up. The two old Oak Trees and the Pine are not in healthy condition. We have trimmed all the dead branches, but it is just a matter of time. It is time to replant the front and if anyone is interested and willing to help, please contact Tom Turner.

Our team with Dave Coss has been aggressively identifying and prioritizing projects, both short and long term. Building and grounds have recommended items that have been before the District Council. The Rathskeller windows have arrived, and installation has begun. The pool doors have arrived, and installation will star soon. Bathhouse roof replacement, done! Up next Weber bathroom roof is scheduled for replacement.

The camp committee chairs have identified areas of opportunity to increase our food and beverage sales, especially on the holiday weekends. Dan Becker has taken the lead on the Memorial Day weekend with live entertainment, bags, and disc golf tournament. We strongly encourage your attendance and bring a friend!

Looking into the future, a large majority of your District Council and Camp Committee members are up there in seniority. We would like to see the future, your future at Illinois Turner Camp. Dan Becker has suggested the idea of a couple of scheduled town hall meetings one weeknight at the Rathskeller, no agenda roundtable discussion questions and answers.

Parking will be enforced so please be conscience of the time your car is parked at your cottage.

Cottage owners, you are responsible for the tidiness around your cottage, and between you and your neighbor. If your neighborhood gets together to clean up, we would be happy to get the dump truck and tractor or tools to assist.

Let us have a fabulous and fun season!

WTG,

Kurt Potthast
Illinois District President

WORK WEEKENDS

Camp Clean Up Work Days – WE NEED HELP FROM ALL COTTAGE OWNERS IN GETTING CAMP READY FOR THE SEASON – PLEASE MARK YOUR CALENDARS AND PLAN TO PITCH IN!

Every year we start the season with an organized clean-up of Community facilities.

Here are key dates to put in your calendar right now.

April 26,27 - Annual Swimming Pool Clean Up - Start time: 9:00 am *LUNCH WILL BE SERVED*****

We need lots of help cleaning the pool, deck, the pool house, and the concession area. We will have a Swimming Pool Committee Chair on site organizing activities and ensuring everything is completed. Bring rakes, shovels, brooms and mops and any other cleaning supplies you can think of.

May 10,11,31 - Rathskellar Clean Up – Start time: 9:00 am *LUNCH WILL BE SERVED*****

There are many, many tasks to be completed to prepare our beloved Rathskellar for another summer season – and many hands make for light work. Plan on meeting up with old friends and making some new ones. We have a list of projects that need attention every season, come check in and pick your project!

We will also have a group split off for Building and Grounds projects around Camp. Wear comfortable clothes – and bring shovels, rakes, and anything else you can think of to clean with.

This year we will be trying something new – **BRING YOUR CHILD TO WORK WEEKEND**. We will identify a list of projects the kids can help with that will be both fun and safe. **May 31st will be the Work Day targeted to our younger Turner Volunteers.**

We look forward to seeing you!

2025 WORK SCHEDULE

All cottages are assigned three duties. As a reminder, there is no longer the opportunity to buy out of duties. If unable to work your duty, it is your responsibility to find a replacement in advance. If you do not perform a duty you will be charged a \$250 fine for each missed duty. It is important that you are on time for your assigned duty. There will be a 15 minute late window; however, there is a \$100 penalty for showing up more than 15 minutes late. To avoid the \$100 late fee, please contact a friend to cover for you until you arrive. Please be sure to sign in at the Rath and Pool when you report for your duties. Certain weekly regular duties and committee work receive work schedule credit. Expectations of each duty are included and will be posted in the appropriate locations this summer.

GUIDELINES FOR WORK DUTIES:

1. Fees and prices are carefully reviewed by the Camp Committee each year. This income helps offset our operating expenses and keeps ground lease fees as low as possible. Undercharging or giving free goods or services affects all of us. Please charge the correct prices. If you have questions, please check with another worker or supervisor. The Camp fee structure is at the bottom of this page.
2. Please dress appropriately. Bar and restaurant workers must wear sleeved shirts, closed toe shoes, and have their hair pulled back if longer than shoulder length. Pool workers should bring shoes and shirts for their duty hours.
3. Please make arrangements for your children. Children are not permitted behind the bar, anywhere in the kitchen area, or in the pool concession area.
4. Please be in good mental and physical condition during your duty shift. If you are incapable of performing your assigned duty for any reason, you will be asked to leave and charged a no show fine. We are relying on you to provide good service and enforce our policies.
