Fridge and Freezer Recycling

Old refrigerators and freezers can consume as much as four times more energy than newer models and could be costing you up to \$150 a year in electricity.

Schedule Your FREE Pickup [Schedule Online](https://www.comed.com/WaystoSave/ForYourHome/Pages/Recycling.aspx)

<https://www.comed.com/WaystoSave/ForYourHome/Pages/Recycling.aspx>

Or call 855-433-2700 during these hours:

- 8:00 am - 5:00 pm Monday - Friday
- 8:00 am - 4:00 pm Saturday

Get \$50

ComEd will pick up your old, working fridge or freezer for FREE, recycle it in an environmentally responsible way, plus send you \$50.

Offer Details

- FREE pickup.
- \$50 for each working refrigerator and freezer (limit 2).
- Dismantling, recycling and disposal of all parts in an environmentally responsible way to reduce the amount of landfill waste.
- FREE pickup plus an additional \$10 for a working room air conditioner when you schedule a refrigerator or freezer pickup.

Eligibility

- Offer is available to ComEd residential delivery service customers only.
- Customer must own the unit(s) being recycled and the unit(s) must be located at the address with the qualifying account.
- Refrigerator or freezer must be between 10 and 30 cubic feet (interior) in size, empty, defrosted and working at the time of pickup.
- Unit(s) must be accessible with a clear and safe path for removal.
- The removal team will not risk injury, remove personal effects or modify your home (e.g. remove doors or railings) to remove the unit(s).

Is My Fridge the Correct Size?

Refrigerators and freezers must be between 10 and 30 cubic feet (interior) to qualify for this program.
